Kathleen M. Rice, District Attorney
Nassau County District Attorney
262 Old Country Road
Mineola, New York 11501

Dear Ms. Rice:

The Comptroller's Office is currently holding a check for Looks Great Services, Inc. ("Looks Great") for various services performed by Looks Great on behalf of Nassau County as a result of Superstorm Sandy.

Our Office's Claims Department has fully audited the invoices associated with this payment as well as the corresponding supporting documentation and believes the amounts indicated on said invoices are accurate.

However, considering the District Attorney's Office is in the process of investigating Looks Great, we wanted to ensure that your Office had no concerns or issues regarding Looks Great that may prevent the Comptroller's Office from releasing the aforementioned payment. As such, can you please advise as to whether your Office has any objections to the release of said payment to Looks Great. If we hear no objection from your Office within thirty (30) days, please be advised that we will proceed with releasing the payment.

Thank you in advance for your assistance on this matter.

Sincerely,

Hon. George Maragos
Nassau County Comptroller
