In addition, at further local option of the county, city, town or village, the exemption may be granted for the life of an enrolled member who has accrued more than twenty years of active service.

The exemption may be granted only to applicants who reside in the county, city, town or village served by the Fire Company, Fire Department or Ambulance Service.

The exemption is available only to the primary residence of the applicant and only to property (or the portion thereof) exclusively used for residential purposes.

This exemption may also apply to your school tax if your local school district has adopted a resolution pertaining to Section 466-c of the NYS Real Property Tax Law. However, for village tax purposes, where the property previously received the \$500 exemption authorized by Section 466 of the Real Property Tax Law, the minimum exemption is \$500.
