11	LEGISLATOR BOSWORTH: Here.
12	CLERK MULLER: Ranking Member
13	Denenberg?
14	LEGISLATOR DENENBERG: Here.
15	CLERK MULLER: Legislator Walker?

25

CHAIRMAN NICOLELLO: Here.

1	Finance Committee/2-6-12
2	CLERK MULLER: We have a quorum.
3	CHAIRMAN NICOLELLO: We have a
4	quorum. The first item is 43 of 2012, a
5	resolution to designate papers in addition
6	to the official newspaper of Nassau County
7	for the publication of the resolutions and
8	notices of the filing and completion of the
9	county assessment roll for the year 2013.
10	LEGISLATOR MUSCARELLA: So moved
11	LEGISLATOR WALKER: Second.
12	CHAIRMAN NICOLELLO: Motion by
13	Norma Muscarella, seconded by Legislator
14	Walker. Any discussion on these items?
15	(No verbal response.)
16	Is there any public comment?
17	(No verbal response.)
18	All those in favor signify by
19	saying aye.
20	(Aye.)
21	LEGISLATOR DERIGGI-WHITTON: Can
22	I just ask one question?
23	CHAIRMAN NICOLELLO: Sure.
24	LEGISLATOR DERIGGI-WHITTON: Is

25 there a complete list for the newspapers?

1	Finance Committee/2-6-12
2	CHAIRMAN NICOLELLO: Should be in
3	the backup.
4	LEGISLATOR DERIGGI-WHITTON: If
5	my colleague wanted to add one for his
6	district, would that be possible?
7	CHAIRMAN NICOLELLO: Yes.
8	Basically you have to submit the newspaper
9	and then we'll do an amendment in the nature
10	of a substitution to the Full Legislature.
11	LEGISLATOR DERIGGI-WHITTON:
12	Okay. Thank you.
13	CHAIRMAN NICOLELLO: Any other
14	questions?
15	(No verbal response.)
16	Is there any public comment?
17	(No verbal response.)
18	All those in favor signify by
19	saying aye.
20	(Aye.)
21	Any opposed?
22	(No verbal response.)
23	Carries unanimously. I'm going
24	to call a bunch of items together; 44, 45,

25 46, 47, 48, 49, skipping 50, 51, 52, 53, 54

1	Finance Committee/2-6-12
2	and 55 of 2012, which are all ordinances
3	supplemental to the annual appropriation
4	ordinance in connection with the District
5	Attorney's Office, Department of Social
6	Services, Traffic Safety Board, Health
7	Department, and Department of Parks,
8	Recreation and Museums.
9	LEGISLATOR GONSALVES: So moved.
10	LEGISLATOR WALKER: Second.
11	CHAIRMAN NICOLELLO: Moved by
12	Legislator Gonsalves, seconded by Legislator
13	Walker. These are all those items and,
14	again, I excluded Item 50. Any questions on
15	these items?
16	(No verbal response.)
17	Is there any public comment?
18	(No verbal response.)
19	All those in favor signify by
20	saying aye.
21	(Aye.)
22	Those opposed?
23	(No verbal response.)
24	They carry unanimously. I'm

going to call Item 50 of 2012 which is an

25

1	Finance Committee/2-6-12
2	ordinance supplemental to the annual
3	appropriation ordinance in connection with
4	the health department.
5	LEGISLATOR MUSCARELLA: So moved.
6	LEGISLATOR WALKER: Second.
7	CHAIRMAN NICOLELLO: Moved by
8	Legislator Muscarella, seconded by
9	Legislator Walker. Any discussion on this
10	item? I know the members of the minority
11	abstained in the previous committee.
12	LEGISLATOR DENENBERG: We're
13	going to abstain, just for the record, we
14	will abstain because of the same reasons and
15	those reasons were stated on the record in
16	the Health Committee and we would just refer
17	to that record. Is there any public
18	comment?
19	(No verbal response.)
20	All those in favor signify by
21	saying aye.
22	(Aye.)
23	Any opposed?
24	(No verbal response.)
25	Those abstaining?

1	Finance Committee/2-6-12
2	(Abstain.)
3	So it's a vote of four, zero,
4	three. Items 56 and 59 of 2012 which are
5	resolutions to authorize the transfer of
6	appropriations heretofore made within the
7	budget for the year 2011.
8	LEGISLATOR WALKER: So moved.
9	LEGISLATOR GONSALVES: Second.
10	CHAIRMAN NICOLELLO: Moved by
11	Legislator Walker, seconded by Legislator
12	Gonsalves. Any discussion on 56 and 59?
13	LEGISLATOR DENENBERG: Yes.
14	CHAIRMAN NICOLELLO: Do we have
15	somebody here to speak to these items?
16	MR. CONROY: What number?
17	CHAIRMAN NICOLELLO: State your
18	name for the record, please.
19	MR. CONROY: Bob Conroy, Office
20	of Management and Budget.
21	LEGISLATOR DENENBERG: With
22	respect to 56 which is the Board of
23	Elections shortfall, why is there a
24	shortfall in the trucking budget?
25	MR. CONROY: There was a built in

- 1 Finance Committee/2-6-12
- 2 savings in the budget which never
- 3 transpired. They couldn't meet it.
- 4 LEGISLATOR DENENBERG: In other
- 5 words --
- 6 MR. CONROY: The trucking was
- 7 more than they anticipated.
- 8 LEGISLATOR DENENBERG: In other
- 9 words, we thought that trucking was going to
- 10 be less, trucking was more?
- MR. CONROY: Correct.
- 12 LEGISLATOR DENENBERG: Why was
- 13 trucking more?
- MR. CONROY: I have to get back
- 15 to you on that.
- 16 LEGISLATOR DENENBERG: Okay,
- 17 thank you. You can get back to me before or
- 18 at full leg. Just a couple of quick
- 19 questions regarding the transfer for
- 20 corrections that's 59-12.
- 21 MR. SATHER: Captain Keith
- 22 Sather, sheriff's department.
- 23 LEGISLATOR DENENBERG: Captain
- 24 Sather, thank you.
- MR. SATHER: Good evening.

	1	Finance	Committee/	′2-6-12
--	---	---------	------------	---------

- 2 LEGISLATOR DENENBERG: Is this
- 3 due to overtime costs?
- 4 MR. SATHER: No, sir this was a
- 5 built in \$6.9 million savings in the AA
- 6 line, which we had to make
- 7 inter-departmental transfers on \$1.4
- 8 million of it to meet the savings on.
- 9 LEGISLATOR DENENBERG: So instead
- of 6.9, the savings was only 5.7?
- 11 MR. SATHER: No, sir. The
- 12 savings were met, we just had to move them
- 13 out of different budget lines. The overall
- 14 operation of the savings was met.
- 15 LEGISLATOR DENENBERG: Was that
- 16 attributable to rearrangements at the
- 17 correction center?
- 18 MR. SATHER: Again, I can't speak
- 19 for the sheriff but a number of different
- 20 things will affect our AA line, reductions
- 21 in vacant posts, consolidation of housing
- 22 areas, and redeployment of officers from
- 23 ancillary units are all different methods
- 24 that the sheriff used to reduce our costs.
- 25 LEGISLATOR DENENBERG: Thank you.

3	LEGISLATOR WALKER: Second.
4	CHAIRMAN NICOLELLO: Moved by
5	Legislator Gonsalves, seconded by Legislator
6	Walker. These were considered also in the
7	Health Committee and the members of the
8	minority abstained at that point.
9	LEGISLATOR DENENBERG: To the
10	chair, for the reasons stated in those

23	by saying aye.
24	(Aye.)
25	Those opposed?

1	Finance Committee/2-6-12
2	(No verbal response.)
3	The rules are suspended. I'm
4	going to call Items 33 and 34 of 2012 which
5	are resolutions. Item 33 is a resolution
6	authorizing the county attorney to
7	compromise and sell certain actions
8	commenced under Article 7 of the Real
9	Property Tax Law pursuant to the county law.
10	Item 34 is a bond ordinance
11	making certain determinations pursuant to
12	SEQRA providing for a capital expenditure to

22	Legislator Walker. Mr. Volk.
23	MR. VOLK: Good evening,
24	legislators.

25

CHAIRMAN NICOLELLO: Would you

- 1 Finance Committee/2-6-12
- 2 tell us what this is?
- MR. VOLK: I would be happy to,
- 4 legislator. These are two ordinances. One
- 5 is a settlement ordinance of various tax
- 6 cert cases, SCARS, which are small claims
- 7 actions, as well as Article 7s.
- 8 The second resolution is the
- 9 typical bonding ordinance.
- 10 CHAIRMAN NICOLELLO: These
- 11 settlements, do they represent all of the
- 12 outstanding tax challenges that -- refunds
- 13 that are ripe for settlement?
- MR. VOLK: They represent the
- 15 vast majority. Obviously this is a snapshot
- 16 in time for those items that might have been
- 17 settled subsequent to the snapshot in time.
- 18 No, it does not include those.
- 19 CHAIRMAN NICOLELLO: But you're
- 20 saying it's the vast majority?
- 21 MR. VOLK: It's the vast
- 22 majority, sir.
- 23 CHAIRMAN NICOLELLO: This has
- 24 been run by NIFA, to your knowledge?
- MR. VOLK: Not yet. I believe

- Finance Committee/2-6-12
- 2 that NIFA is waiting for this body.
- 3 CHAIRMAN NICOLELLO: Legislative
- 4 approval. All right. This Item 33, it's a
- 5 vote on the settlements, have we done that
- 6 before?
- 7 MR. VOLK: Traditionally, as far
- 8 as I know, you have voted for settlement and
- 9 bonding for items that expect a refund in
- 10 excess of \$100,000.
- 11 CHAIRMAN NICOLELLO: But within
- 12 this amount --
- MR. VOLK: Within this package
- 14 today there are items that are substantially
- 15 less than \$100,000.
- 16 CHAIRMAN NICOLELLO: You know
- 17 what the reason is?
- 18 MR. VOLK: That decision was made
- 19 by people with a pay grade much higher than
- 20 mine.
- 21 CHAIRMAN NICOLELLO: Do you have
- 22 any insight into that, Mr. Ciampoli?
- 23 MR. CIAMPOLI: I believe there
- 24 have been conversations between the county
- 25 executive and the presiding officer as to

- 1 Finance Committee/2-6-12
- 2 how these were packaged. It's the county
- 3 executive's belief that by packaging these
- 4 together for one makes a more efficient
- 5 process moving things to NIFA, but it also
- 6 gives us a more complete transparency with
- 7 regards the entire tax cert scenario,
- 8 whether it be residential or commercial,
- 9 it's all here.
- 10 CHAIRMAN NICOLELLO: How much of
- 11 this backlog does this represent?
- MR. VOLK: The vast majority,
- 13 legislator.
- 14 CHAIRMAN NICOLELLO: Any other
- 15 questions?
- 16 LEGISLATOR DENENBERG: First, to
- 17 the chair, I have a statement first, if I
- 18 could.
- 19 On behalf of the minority, what
- 20 is alarming about this enormous proposal to
- 21 borrow 100 percent to pay tax certs is that
- 22 we've completely foregone the tradition or
- 23 the pattern of paying as you go for at least
- 24 part of our tax refunds that we owe on
- 25 behalf of schools, on behalf of towns, et

- Finance Committee/2-6-12
- 2 cetera.
- 3 During the last administration,
- 4 money was always put into the operating
- 5 budget to pay tax certs and, as near as I
- 6 can tell, residential refunds were always
- 7 paid out of operating expenses.
- 8 Residential refunds had, at least
- 9 in the last several years, been kept under
- 10 \$3 million with the goal to be paid out of
- 11 operating expenses.
- 12 Apparently, now, everything is
- 13 being put on the credit card. What's even
- 14 worse is this \$102 million is replete with
- 15 items that are less than \$100,000. You know
- 16 as well as I do everyone on this legislature
- 17 knows that for over a year, since the end of
- 18 2010, not a single settlement was presented
- 19 to this legislature throughout 2011. It
- 20 just built up and built up. We were told
- 21 that, in fact, I received answers where we
- 22 were told that those cases were less than
- 23 \$100,000, so they weren't going to the
- 24 legislature. Now we're getting every single
- 25 case just so we can bond for it.

25 settlement agreements are only settling

- 1 Finance Committee/2-6-12
- 2 cases throughout 2009, 2007, 2010, and the
- 3 carousel will just continue.
- 4 The attorneys sitting here don't
- 5 even know if they should recuse themselves
- 6 because we don't know who's representing any
- 7 of the commercial cases. One case alone is
- 8 \$6 million.
- 9 CHAIRMAN NICOLELLO: All right.
- 10 You know -- wait, wait.
- 11 LEGISLATOR DENENBERG: Let me
- 12 just finish.
- 13 CHAIRMAN NICOLELLO: You can make
- 14 a statement. We don't need to hear a
- 15 speech. If you have any questions for these
- 16 gentlemen, you can ask them, otherwise we're
- 17 moving on. You can make your statements to
- 18 the media. This is not the time for making
- 19 a speech.
- 20 LEGISLATOR DENENBERG: Let me
- 21 close by saying this. Again, all these
- judgements, and all these smaller
- 23 settlements, the attorneys sitting up here
- 24 don't even know if they need to recuse
- 25 themselves, and it was the county executive

- Finance Committee/2-6-12

  that said in May that the residential
- 3 refunds had been reduced to less than \$2
- 4 million. How is the refunds on the
- 5 residential side over \$20 million?
- 6 You tell me, in this pile of
- 7 documents, which just lists names of
- 8 residents and commercial cases by --
- 9 CHAIRMAN NICOLELLO: I'm still
- 10 waiting for the question. The speech is
- 11 over.
- 12 LEGISLATOR DENENBERG: -- and
- 13 commercial cases by numbers, how am I
- 14 supposed to --
- 15 CHAIRMAN NICOLELLO: Any other
- 16 questions in this committee?
- 17 (No verbal response.)
- 18 Hearing no other questions, I'm
- 19 going to move the item.
- LEGISLATOR DENENBERG: No, no.
- 21 CHAIRMAN NICOLELLO: Yes, yes.
- 22 LEGISLATOR DENENBERG: Mr.
- 23 Ciampoli, how am I supposed to figure out
- 24 what the appraisals were and why you settled
- 25 these cases for these amounts? Show me

- 1 Finance Committee/2-6-12
- 2 where in these documents.
- 3 MR. CIAMPOLI: If you have any
- 4 questions regarding any particular case, we
- 5 will be happy to get the information to you
- 6 so you can analyze it and make your
- 7 judgement.
- 8 LEGISLATOR DENENBERG: Which, on
- 9 each of the commercial cases, which law
- 10 firms represented each of the petitioners?
- MR. CIAMPOLI: I can't tell you
- 12 looking at the document from here. We would
- 13 have those answers --
- 14 LEGISLATOR DENENBERG: How do I
- 15 know if I should recuse myself?
- 16 CHAIRMAN NICOLELLO: Would you
- 17 let him finish answering the question.
- MR. CIAMPOLI: -- if we are
- 19 prepared to address that question, and
- 20 that's a serious question, I have had our
- 21 legal counsel bureau, in conjunction with
- 22 counsel to the county ethics boards review
- 23 the question, and I am prepared to, by the
- 24 time you vote on this in general session,
- 25 issue a formal opinion, but the opinion from

- 1 Finance Committee/2-6-12
- 2 our legal counsel bureau answered the
- 3 question regarding whether an ordinance to
- 4 bond a large number of tax certiori,
- 5 settlements and judgements, without
- 6 specifying the addresses of individual
- 7 properties, their owners or the attorneys
- 8 representing them, might create an ethical
- 9 for individual legislator.
- 10 This supposed issue arises
- 11 because it may be claimed that an individual
- 12 legislator would not be able to determine
- 13 whether he or she had a financial interest
- 14 in the property or the settlement, ignoring
- 15 the question as to why the legislator's
- 16 legal representative is not keeping them
- 17 informed regarding litigation, it's our
- 18 conclusion that there is no ethical issue
- 19 for any legislator.
- We believe, in the context of an
- 21 ordinance embracing a large number of
- 22 properties, that the possibility that any
- 23 given legislator would have an unknown
- 24 connection to a property is remote and
- 25 therefore does not create any appearance of

- Finance Committee/2-6-12
- 2 impropriety.
- 3 There is no case law or opinion
- 4 that we've been able to locate that
- 5 indicates to the contrary.
- 6 LEGISLATOR DENENBERG: I would
- 7 like a copy of that opinion.
- MR. CIAMPOLI: I will prepare a
- 9 formal opinion so that this way it has more
- 10 weight.
- 11 LEGISLATOR DENENBERG: In the
- 12 past, you're aware that four judgments
- 13 before this body voted to give out taxpayer
- 14 money for settlements. We received the
- 15 settlement. We received the address of the
- 16 property, the name of the petitioner, the
- 17 attorney for the petitioner, and the
- 18 appraisals which form the basis for the
- 19 settlement.
- 20 MR. CIAMPOLI: Let me address
- 21 some of the larger --
- 22 LEGISLATOR DENENBERG: My
- 23 question was, are you aware that's what we
- 24 qot?
- MR. CIAMPOLI: Let me address

- Finance Committee/2-6-12
- 2 some of the questions --
- 3 LEGISLATOR DENENBERG: Are you
- 4 aware that we got --
- 5 CHAIRMAN NICOLELLO: Stop
- 6 interrupting.
- 7 LEGISLATOR DENENBERG: I want an
- 8 answer.
- 9 CHAIRMAN NICOLELLO: Stop
- 10 interrupting.
- 11 LEGISLATOR DENENBERG: You stop
- 12 interrupting me.
- 13 CHAIRMAN NICOLELLO: If you
- 14 interrupt him I'm going to interrupt you.
- 15 LEGISLATOR DENENBERG: I'm not
- 16 interrupting. I asked "are you?"
- 17 CHAIRMAN NICOLELLO: You just
- 18 did. He started to answer the question.
- 19 He's allowed to answer the question in this
- 20 committee.
- 21 LEGISLATOR DENENBERG: It didn't
- 22 sound like he was answering the question.
- 23 CHAIRMAN NICOLELLO: Would you
- let him answer, please?
- MR. CIAMPOLI: Really, where

- Finance Committee/2-6-12
- 2 appraisal is provided, usually that came on
- 3 a request, and I've invited you to make the
- 4 request where it's appropriate.
- 5 LEGISLATOR DENENBERG: A summary
- 6 of --
- 7 CHAIRMAN NICOLELLO: Stop
- 8 interrupting the witness, please.
- 9 MR. CIAMPOLI: With regard to --
- 10 listen, I can play it cute and I can tell
- 11 you, perhaps you didn't notice, Nassau
- 12 County has a control board with a control
- 13 period now. That has changed the field. It
- 14 changed the field substantially and explains
- 15 much of what you have before you.
- 16 Let's start with your comments
- 17 about the \$14 million. The \$14 million
- 18 isn't quite \$14 million, but the treasurer
- 19 continues to spend that down to pay off
- 20 judgments and settlements as need be. The
- 21 build-up, well, Mr. Denenberg, I think --
- 22 LEGISLATOR DENENBERG: You're not
- 23 really answering my question but say
- 24 whatever you want.
- MR. CIAMPOLI: -- that assailing

- 1 Finance Committee/2-6-12
- 2 this office, assailing this administration,
- 3 if I sent you things all during the year
- 4 with NIFA proclaiming, we are not going to
- 5 permit bonding to cover it, because you
- 6 would then be saying, you're going out
- 7 without the financial resources to back the
- 8 settlements and judgments.
- 9 What has been achieved by the
- 10 county executive is an agreement with NIFA
- 11 to provide bonding authority for settlements
- 12 and judgments.
- Now that, while you may criticize
- 14 the fact that there are or aren't funds in
- 15 operating accounts, to pay for these things,
- 16 it is part of a multiyear plan that has been
- 17 sent to the legislature, part of a multiyear
- 18 plan that was negotiated with NIFA to phase
- 19 out and to reduce and ultimately eliminate
- 20 the county's dependence on bonding which has
- 21 occurred time and time again, which you have
- 22 voted on time and time again to cover these
- things.
- 24 CHAIRMAN NICOLELLO: Can you wrap
- 25 up?

- 1 Finance Committee/2-6-12
- 2 MR. CIAMPOLI: Overall, this
- 3 policy, so to speak, that you are
- 4 complaining of, in sending these things all
- 5 bundled together is a result of a build-up
- 6 that occurred because we weren't sending
- 7 things down to the legislature until an
- 8 agreement with NIFA had been achieved to
- 9 find the way to pay for it.
- 10 LEGISLATOR DENENBERG: My
- 11 question, really, with all due deference to
- 12 our chairman, wasn't answered, but the
- 13 sheets we used to get that provided the
- 14 numbers of the demanded market value and our
- 15 appraised value, where the legislators can
- 16 determine that the settlement is in order
- 17 are not provided, period.
- I cannot see why, for example,
- 19 we're giving \$6 million for one tax year for
- 20 parcel number 47E0747B. I should give \$6
- 21 million to one --
- MR. CIAMPOLI: And my answer to
- 23 your question, simply put, is if you name
- 24 that parcel, identify that refund, we will
- 25 have someone sit with you, give you the

- 1 Finance Committee/2-6-12
- 2 information, and explain it if need be.
- 3 LEGISLATOR DENENBERG: That's not
- 4 acceptable. Each legislator, to do their
- 5 due diligence, is entitled to know why \$102
- 6 million worth of taxpayer money should be
- 7 paid out on these settlements. And if
- 8 you're asking us to be a rubber stamp and
- 9 just say yes when you can't tell -- you tell
- 10 me right now where this \$6 million is going
- 11 to. It's \$6 million. Please tell me where
- 12 it's going to.
- MR. CIAMPOLI: We are prepared to
- 14 get that information.
- 15 LEGISLATOR DENENBERG: Now.
- 16 You're asking me to vote on it now. Please
- 17 tell me who's getting \$6 million and why.
- MR. CIAMPOLI: As I told you, the
- 19 information is there. It's on file, it's
- 20 available and we will make it available if
- 21 you have questions.
- 22 LEGISLATOR DENENBERG: How is it
- 23 available? This is the way it used to be
- 24 made available by past administrations and
- 25 this one. Ten or 12 settlements at most

- 1 Finance Committee/2-6-12
- 2 would come to this committee session and
- 3 then full leg. We received what the
- 4 settlement was so that we could make sure
- 5 we're settling right up to the current --
- 6 let me finish, and we received what was
- 7 being demanded what the assessed value was,
- 8 what the market value was, and what the
- 9 county's indicated appraised market value
- 10 was and what the settlement was.
- 11 So each of us in good conscience
- 12 could say that, yes, we think this
- 13 settlement is good for the county. I
- 14 wouldn't vote for it if we gave more than
- 15 what the county has indicated the appraised
- 16 value was, one, and, two, if we weren't
- 17 settling at least through the current year.
- 18 So that there was no carousel.
- MR. CIAMPOLI: Legislator
- 20 Denenberg, I absolutely defend your right to
- 21 ask the questions you're asking. However,
- 22 this item was filed on December 14th last
- 23 year.
- 24 LEGISLATOR DENENBERG: It was
- 25 pulled back.

- 1 Finance Committee/2-6-12
- 2 MR. CIAMPOLI: You waited until
- 3 today to ask those questions. You could
- 4 have asked those questions if you had
- 5 specific questions about particular items in
- 6 the legislation. It was there.
- 7 LEGISLATOR DENENBERG: First of
- 8 all, it was refiled in January and it's
- 9 insulting that I should go to you to get the
- 10 information that should be provided in order
- 11 for us to vote? You tell NIFA that they
- 12 should ask you. NIFA is going to get this,
- 13 right? NIFA is going to approve \$102
- 14 million worth of settlement and borrowing on
- 15 numbers that say \$6 million for E0747B?
- 16 MR. CIAMPOLI: And just as I have
- 17 offered to --
- 18 LEGISLATOR DENENBERG: No. You
- 19 provide the information --
- 20 MR. CIAMPOLI: -- to sit with you
- 21 and provide that information to you, I will
- 22 offer to provide that information to them.
- 23 LEGISLATOR DERIGGI-WHITTON: Mr.
- 24 Ciampoli, just to go on record, I think all
- of us agree with David that we would need

- 1 Finance Committee/2-6-12
- 2 that information to feel comfortable. There
- 3 is no other way we can vote on this.
- 4 CHAIRMAN NICOLELLO: Mr.
- 5 Ciampoli, why can't this information be
- 6 provided to us globally? Why can't the bulk
- 7 of it be provided? All of it be provided so
- 8 that we can search it if we want?
- 9 MR. CIAMPOLI: It would be a
- 10 monumental task.
- 11 CHAIRMAN NICOLELLO: Isn't it
- 12 somewhere saved?
- MR. CIAMPOLI: It is somewhere
- 14 saved in files. We would have to retrieve
- 15 it, assemble it, and put it together.
- 16 LEGISLATOR DERIGGI-WHITTON: It's
- 17 \$102 million.
- MR. CIAMPOLI: If you're asking
- 19 about the commercial cases that's a slightly
- 20 smaller, but still, nonetheless, a daunting
- 21 task for the staff either in my office, or
- 22 in our --
- 23 CHAIRMAN NICOLELLO: We haven't
- 24 gotten the other information on the
- 25 residential. We are looking for the

- 1 Finance Committee/2-6-12
- 2 information on the commercial cases.
- MR. CIAMPOLI: We can try and get
- 4 that to you.
- 5 LEGISLATOR DENENBERG: I would
- 6 agree with the chairman. My request is, I
- 7 do not want to vote on a single case without
- 8 Mr. Ciampoli and to the chair without
- 9 knowing the basis, which included the
- 10 petitioner's demand, the county's indicated
- 11 appraised value, the proposed market value,
- 12 the corrected value, but I also am asking
- 13 not just for that sheet, but I'm asking for
- 14 the settlement agreement, at least on the
- 15 commercial cases, I want to know who the
- 16 party is and who is represented so I know
- 17 there are no conflicts, especially for the
- 18 attorneys up here.
- MR. CIAMPOLI: We will try and
- 20 retrieve that information. I presume as a
- 21 given that we are working within the
- 22 jurisdictional amount of the legislature
- 23 which is \$100,000.
- 24 LEGISLATOR DENENBERG: To the
- 25 chair, Mr. Nicolello. I would move to

1	Finance Committee/2-6-12
2	table. There is more than three weeks
3	CHAIRMAN NICOLELLO: Is there a
4	second to that motion?
5	LEGISLATOR BOSWORTH: Second.
6	CHAIRMAN NICOLELLO: Seconded by
7	Legislator Bosworth. All those in favor of
8	the motion to table signify by saying aye.
9	(Aye.)
10	Those opposed?
11	(Nay.)
12	Motion to table fails. We do
13	have three weeks until the Full Legislature,
14	and nothing says that this matter will pass
15	the Full Legislature at that time. So
16	unless we start getting the flow of
17	information that we need, especially on
18	items above the \$100,000 threshold,
19	including all of the information in terms of
20	appraisals, in terms of the attorneys who
21	are representing the county, in terms of who
22	the claimants are, it's not just the
23	minority that's going to have a difficult

MR. CIAMPOLI: I understand.

time passing this through.

20 Why are we even voting on
21 approving residential settlements or those
22 settlements less than \$100,000? We're
23 creating sort of a new precedent that never
24 existed before and giving ourselves an added
25 burden that the county attorney just said he

- Finance Committee/2-6-12
- 2 couldn't possibly meet by giving us the
- 3 details on all the residential. Let's say I
- 4 agree with him that he answered us honestly,
- 5 that's why we never voted on the residential
- 6 before, and we would be creating a horrible
- 7 precedent to be voting on those items that
- 8 are less than \$100,000.
- 10 assume Mr. Ciampoli can answer my question,
- 11 it's also any understanding that we are
- 12 voting on judgments here. I don't know why
- 13 we would ever vote on judgments. Judgments
- 14 are judgments.
- 15 CHAIRMAN NICOLELLO:
- 16 Mr. Ciampoli, the change of procedure, does
- 17 is have to do with NIFA?
- MR. CIAMPOLI: Yes. It's the
- 19 result that --
- 20 CHAIRMAN NICOLELLO: Tell me why.
- MR. CIAMPOLI: Because had we
- 22 sent things to you in the ordinary course
- 23 during 2011, there would have been no
- 24 available funds to pay for the refund. What
- 25 was in the multiyear plan, what was in the

- 1 Finance Committee/2-6-12
- 2 budget, called for this to be bonded. It is
- 3 part of the county executive's overall plan
- 4 to eliminate the bonding for this purpose
- 5 and, accordingly, with NIFA saying we will
- 6 not approve bonding for this, it just seemed
- 7 to be an exercise in futility to send you
- 8 things, let you adopt the bond ordinance,
- 9 and let it be rejected by NIFA.
- 10 What the county executive engaged
- in was ultimately a productive and fruitful
- 12 exchange with the board of directors of NIFA
- in which they agreed to allow for the
- 14 bonding for settlements and judgements.
- 15 CHAIRMAN NICOLELLO: Legislator
- 16 Bosworth.
- 17 LEGISLATOR BOSWORTH: Yes. There
- is something that I just don't understand.
- 19 I hear what you're saying about having to go
- 20 to NIFA, but I do understand that as of
- 21 today there is \$14 million in the
- 22 treasurer's office that has been earmarked
- 23 for doing just that.
- 24 So to hear that we couldn't do it
- 25 because there was no money available and to

- Finance Committee/2-6-12
- 2 also hear that there is currently \$14
- 3 million available which would, in fact, take
- 4 care of many of these residential claims,
- 5 it's just not resinating.
- 6 MR. CIAMPOLI: The \$14 million is
- 7 not, as I understand it, an accurate figure.
- 8 The reason why it's not accurate is because
- 9 the treasurer has been engaged continually
- 10 in spending down I believe was \$75 million
- 11 was originally authorized, and that has been
- 12 spent down on settlements and judgements
- 13 that are already in the pipeline.
- 14 LEGISLATOR BOSWORTH:
- 15 Mr. Ciampoli, if I might, our information as
- 16 of today, the treasurer's office has \$14
- 17 million earmarked for that, which would take
- 18 care of 70 percent for tax certs, which
- 19 would take care of 70 percent of the
- 20 residential claims, why aren't we doing
- 21 that?
- MR. CIAMPOLI: Why aren't we
- 23 doing? I believe that that's in the process
- 24 of being done. Some of it is to get it all
- 25 moving so that it could all go to NIFA at

- Finance Committee/2-6-12
- 2 one time.
- 3 LEGISLATOR DENENBERG: Mr.
- 4 Ciampoli, I'm sorry, my information --
- 5 CHAIRMAN NICOLELLO: Is
- 6 Legislator Bosworth done?
- 7 LEGISLATOR DENENBERG: I wasn't
- 8 done.
- 9 CHAIRMAN NICOLELLO: That's all
- 10 right. You've been talking for a half an
- 11 hour. I figured another legislator would
- 12 need an opportunity to speak also. Why
- don't you finish?
- 14 LEGISLATOR BOSWORTH: My question
- is, to the best of your knowledge, and if
- 16 you don't have that information now, can you
- 17 get it for us? How much money is in the
- 18 treasurer's office earmarked for tax certs?
- MR. CIAMPOLI: Obviously I would
- 20 have go to the treasurer for that.
- 21 LEGISLATOR BOSWORTH: I
- 22 understand that. I'm hoping you can get
- 23 that information to us.
- MR. CIAMPOLI: Fine.
- 25 CHAIRMAN NICOLELLO: Legislator

- Finance Committee/2-6-12
- 2 Denenberg.
- 3 LEGISLATOR DENENBERG: Just along
- 4 those lines, what I said, what Legislator
- 5 Bosworth said, in October we approved \$100
- 6 million worth of bonding for tax certs. We
- 7 were told there was \$100 million that year
- 8 when we authorized it. That money -- I'm
- 9 sorry, \$50 million, there was \$50 million in
- 10 the budget at that time. We approved \$50
- 11 million in bonding, there was \$50 million in
- 12 the budget. That 100 million was supposed
- 13 to be paid within two months.
- 14 It's \$100 million total, but back
- 15 then, because the previous administration
- 16 had a pay as you go 50 million, 50 million
- was operating, only \$50 million was
- 18 borrowing. That was supposed to be paid
- 19 down by the end of 2010.
- Here we are in February of 2012
- 21 and it's not fully paid down. How do you
- 22 know, you said you have to go to the
- 23 treasurer to figure out which tax certs the
- 24 treasurer is currently paying, but then how
- 25 did you know which tax certs and which

- Finance Committee/2-6-12
- 2 residential SCAR proceedings you have to
- 3 come to us if the treasurer just pays them
- 4 out on his own, it can't be. They have to
- 5 pay out on your instruction when it comes to
- 6 or someone's instruction on what the
- 7 settlement was. It can't be that the
- 8 treasurer's office operates differently from
- 9 you otherwise you couldn't come up with all
- 10 of this.
- 11 CHAIRMAN NICOLELLO: Any other
- 12 questions?
- 13 LEGISLATOR DENENBERG: I need my
- 14 answer.
- 15 CHAIRMAN NICOLELLO: There was no
- 16 question.
- 17 LEGISLATOR DENENBERG: The
- 18 question is, he said he has to speak to the
- 19 treasurer's office and I need to understand
- 20 it.
- 21 CHAIRMAN NICOLELLO: You make a
- 22 two-minute statement without a question at
- 23 the end of it and you expect him to answer
- 24 it?
- 25 LEGISLATOR DENENBERG: I

- Finance Committee/2-6-12
- 2 understand you don't like my questions, I
- 3 got it.
- 4 MR. CIAMPOLI: -- explained by
- 5 the treasurer, and that was the sum and
- 6 substance of my conversation with Legislator
- 7 Bosworth.
- 8 LEGISLATOR DENENBERG: The
- 9 treasurer can't pay without an approval of
- 10 the settlement from your office.
- MR. CIAMPOLI: Yes.
- 12 LEGISLATOR DENENBERG: So how
- does the treasurer decide to pay some and we
- 14 get others?
- 15 MR. CIAMPOLI: This is -- I think
- 16 what you're missing or oversimplifying here
- is the overall process of how the
- 18 settlements are moving through the pipeline.
- 19 LEGISLATOR DENENBERG: They don't
- 20 seem to be moving very fast, but, again, how
- 21 does the treasurer --
- 22 MR. CIAMPOLI: We've already
- 23 talked about it.
- 24 LEGISLATOR DENENBERG: Just
- 25 answer. How does the treasurer's department

- Finance Committee/2-6-12
- 2 pay some -- that SCAR --
- MR. CIAMPOLI: That's something I
- 4 would have to confer with the treasurer on.
- 5 LEGISLATOR DENENBERG: But they
- 6 don't get that without you approving it.
- 7 You have to approve a settlement, don't you?
- 8 You're our legal counsel.
- 9 MR. CIAMPOLI: There are a number
- 10 of things that's overbroad generalization.
- 11 We don't approve the SCARS, for instance.
- 12 Again, I will talk with the treasurer and
- 13 get a better handle on what the process for
- 14 payment is.
- The focus of my office has been
- 16 to move the settlements, obviously we are on
- 17 the receiving end of the judgments.
- 18 CHAIRMAN NICOLELLO: Thank you,
- 19 Mr. Ciampoli.
- 20 LEGISLATOR DERIGGI-WHITTON: Can
- 21 I just ask a question?
- 22 CHAIRMAN NICOLELLO: Sure. You
- 23 haven't asked anything.
- 24 LEGISLATOR DERIGGI-WHITTON: Just
- 25 real quick. From what I understand, two

- 1 Finance Committee/2-6-12
- 2 employees were recently laid off that were
- 3 basically handling the assessments; is that
- 4 correct, in December?
- 5 MR. CIAMPOLI: From where?
- 6 LEGISLATOR DERIGGI-WHITTON: From
- 7 the residential claims.
- 8 MR. CIAMPOLI: In what
- 9 department?
- 10 LEGISLATOR DERIGGI-WHITTON:
- 11 Assessment department. Weren't two
- 12 employees recently laid off?
- MR. CIAMPOLI: I don't know.
- 14 LEGISLATOR DERIGGI-WHITTON: That
- 15 was my understanding, that they were just
- 16 laid off and that there were, of 17,000, I
- 17 believe it was 17,000 residential claims
- 18 that are still outstanding.
- MR. CIAMPOLI: There are always
- 20 residential claims outstanding, as they move
- 21 through the process and people grieve them
- 22 and then they go to either a settlement
- 23 program or to SCAR.
- 24 LEGISLATOR DERIGGI-WHITTON: I
- 25 guess we were just concerned, because I

- 1 Finance Committee/2-6-12
- 2 guess it was the treasurer's office where
- 3 the two employees were laid off. I'm just
- 4 wondering how these 17,000 claims are going
- 5 to be handled from here on in.
- 6 CHAIRMAN NICOLELLO: I think
- 7 that's a question for the treasurer.
- MR. CIAMPOLI: I think that's a
- 9 question for the assessor.
- 10 LEGISLATOR DERIGGI-WHITTON: It's
- 11 the treasurer's office, from what I
- 12 understand. I guess when you speak to him
- 13 about that, we are also concerned about --
- MR. CIAMPOLI: You're saying
- 15 these were two people who are processing
- 16 checks, so to speak?
- 17 LEGISLATOR DERIGGI-WHITTON:
- 18 Correct.
- MR. CIAMPOLI: Then that's the
- 20 treasurer's office.
- 21 LEGISLATOR DERIGGI-WHITTON:
- 22 Could you confirm that, or is there any way
- 23 to find out for sure?
- MR. CIAMPOLI: We'll take a look,
- 25 and just so that you know --

- 1 Finance Committee/2-6-12
- 2 LEGISLATOR DERIGGI-WHITTON: If
- 3 there's a whole new procedure in place, we
- 4 should at least be aware of it.
- 5 MR. CIAMPOLI: And not to
- 6 minimize the interest of these taxpayers,
- 7 that's a small percentage of over 100,000
- 8 claims that are filed.
- 9 LEGISLATOR DERIGGI-WHITTON: We
- 10 just want to have a clear understanding of
- 11 that whole process.
- 12 And just one other thing, there
- 13 was additional barring, how much do you
- 14 think will actually be asked for 2012?
- 15 MR. CIAMPOLI: I don't recall the
- 16 number that's in the multiyear plan, but
- 17 it's laid out there.
- 18 LEGISLATOR DERIGGI-WHITTON:
- 19 Because, as you know, we haven't seen the
- 20 capital plan yet for 2012. We would like to
- 21 know approximately how much we are going to
- 22 be asked to borrow.
- 23 MR. CIAMPOLI: We will take that
- 24 up with OMB.
- 25 CHAIRMAN NICOLELLO: One of the

1	Finance Committee/2-6-12
2	things that Legislator Denenberg mentioned,
3	and he's right about this, taxpayers, et
4	cetera, are waiting to get paid.
5	My recommendation, at least to
6	the majority, is that we pass this along.
7	If we don't get at least satisfactory
8	answers by the 27th, then we could hold it
9	up at that time, but in the meantime, I'd
10	recommend that we move this along so that if
11	you are able to produce what we need you to
12	produce by the 27th, then we can pass it.
13	All those in favor signify by
14	saying aye.
15	(Aye.)
16	Those opposed?
17	LEGISLATOR DENENBERG: The
18	minority votes no and we just want to note
19	on the record, being that we don't even have
20	any numbers to decide whether this is

existing, either bond ordinance that could 25

held for over a year when there is an

terms of residential, to have a new

accurate or not, we are voting no and, in

procedure where residential refunds can be

24

- 1 Finance Committee/2-6-12
- 2 have been used to pay, or we could go back
- 3 to the good old days of paying as you go in
- 4 residential, we are creating a horrible, a
- 5 horrible precedent that will force our
- 6 homeowners to wait a long time for their
- 7 refunds. So we're voting no.
- 8 CHAIRMAN NICOLELLO: One of the
- 9 reasons we don't want to go back to the good
- 10 old days is because pay as you go worked for
- 11 a little bit of a while before the budget
- 12 started degenerating under County Executive
- 13 Suozzi. But the reason we had that money is
- 14 you raised taxes by 40 percent. So we don't
- 15 want to go back to those good old days,
- 16 Legislator Denemberg.
- 17 CHAIRMAN NICOLELLO: It's a vote
- 18 of four to three.
- 19 LEGISLATOR DENENBERG: So let's
- 20 borrow and borrow and borrow.
- 21 CHAIRMAN NICOLELLO: This item
- 22 passes by a vote of four to three.
- 23 LEGISLATOR DENENBERG: So that my
- 24 grandchildren will have to pay.
- 25 CHAIRMAN NICOLELLO: I'm going to

Finance Committee/2-6-12 1 call the next items, 99 of 2012, Number 100 of 2012, 101 of 2012, 102 of 2012, 105 of 3 4 2012. These are all ordinances supplemental 5 to the annual appropriation ordinance in connection with the medical examiner's office. Do I have a motion? 7 8 LEGISLATOR GONSALVES: So moved. 9 LEGISLATOR WALKER: Second. 10 CHAIRMAN NICOLELLO: Moved by 11 Legislator Gonsalves, seconded by Legislator 12 Walker. Any questions on these items? 13 (No verbal response.) 14 Is there any public comment? 15 (No verbal response.) 16 All those in favor signify by 17 saying aye. 18 (Aye.) 19 Any opposed? 20 (No verbal response.) 21 Those items pass. We do have two 22 items for executive session which are 65 and 66 of 2012. 65 is a resolution authorizing 23 24 the county attorney to compromise and settle 25 the action of Steven McDonald, Arthur

- Finance Committee/2-6-12
- 2 Frisenda, William Gutterslar, John Pielle,
- 3 Richard McGuire versus the County of Nassau.
- 4 Item 66 is an ordinance providing
- 5 for a capital expenditure to finance the
- 6 payment of certain settled claims against
- 7 the County of Nassau in authorizing \$192,780
- 8 in bonds.
- 9 LEGISLATOR WALKER: So moved.
- 10 LEGISLATOR GONSALVES: Second.
- 11 CHAIRMAN NICOLELLO: Moved by
- 12 Legislator Walker, seconded by Legislator
- 13 Gonsalves. The item is before the
- 14 committee. Can I have a motion to go into
- 15 executive session?
- 16 LEGISLATOR GONSALVES: So moved.
- 17 LEGISLATOR WALKER: Second.
- 18 CHAIRMAN NICOLELLO: Moved by
- 19 Legislator Gonsalves, seconded by Legislator
- 20 Walker. We are in executive session.
- 21 (Whereupon, the Finance committee
- 22 recessed into executive session at 7:05 p.m.
- and reconvened at 7:11 p.m.)
- 24 CHAIRMAN NICOLELLO: We're out of
- 25 executive session. Is there any public

    of Items 65 and 66 of 2012 signify by saying
