If you are interested in becoming a Spanish Language Translator for the Board of Elections for Primary and General Elections, please fill out this form. While it is not necessary to be a registered voter to work as a translator, registered voters are preferred.

Translators work from 6am until 9pm for each election at their assigned polling place. Every effort is made to assign people to a polling place close to their home. However, if that is not possible, please indicate if you are willing to travel anywhere in the county.

Translators must pass both an English and Spanish proficiency test to be administered at the Board of Elections and attend a class to learn their duties and responsibilities.

The salary for a translator is \$150.00 per day and \$10 for attending class. Translators get one hour for lunch and one hour for dinner on Election Day.

If you have any questions, please call 571-1245. Print, fill out, and mail this form to:
