ENERGY

National Grid (516-545-3873) www.nationalgridus.com

Domenic R. Abbatiello—Director of Energy Solutions Services

Email: domenic.abbatiello@ngrid.us.com

Business Address: 175 E. Old Country Road; Hicksville, NY 11801

National Grid is dedicated to helping local companies succeed in today's competitive business environment. By utilizing National Grid's Economic Development Gas Rate (EDGAR), companies can save up to 15% on their natural gas bill. The Commercial Sales Program offers customized rebates and incentives for additional gas equipment, and our Energy Efficiency Program will help lower your energy costs (be sure to ask for your FREE Energy Audit). We also provide free Technical Assistance on Emerging Gas Technologies. To ensure maximum energy utilization, it is important to contact us before you start any renovations.

Long Island Power Authority—LIPA (516-545-3873)

www.lipower.org/commercial/ecodev/

Domenic R. Abbatiello—Director of Energy Solutions Services

Email: domenic.abbatiello@ngrid.us.com

Business Address: 175 E. Old Country Road; Hicksville, NY 11801

LIPA's Economic Development programs and services have a common goal: to help LI commercial/industrial businesses become more profitable by helping them manage their energy demands. Whether your company is expanding, relocating or starting up, LIPA's Economic Development programs can provide the incentives and assistance businesses need to call LI home. Our team of Economic Development professionals can also serve as your single point of contact for accessing Long Island's wealth of economic and governmental programs and services. Please contact us before you begin your project to be eligible for our incentives. Workforce NY provides employee assistance and funds as grants to businesses located throughout Nassau County to train incumbent workers in specific skills. Represents Town of North Hempstead, Town of Oyster Bay, and the City of Glen Cove. Community and Economic Development Clinic provide transactional (non-litigation) assistance to nonprofits, community-based organizations and micro-enterprises in low-income communities in and around Nassau .

Barbara Whiting - Business Development Specialist

Email: barbara.whiting@sba.gov

Business Address: 35 Pine Lawn Road, Suite 207 West; Melville, New York 11747

The Small Business Administration (SBA) was created in 1953 as an independent agency of the federal government with the responsibility for ensuring the availability of long term technical assistance and financing for small businesses in the nation. Its mission is to assist, aid, counsel and protect the interests of small businesses throughout the country, to preserve free competitive enterprise, and to maintain and strengthen the overall economy of the nation. Among the SBA's main goals are to advise and counsel small businesses through the services of the Small Business Development Centers (SBDC), and the Service Corps of Retired Executives (SCORE). Also, the SBA provides Loan Guaranty Programs, which can fund the varied financing needs of small businesses where financing is otherwise unavailable, through normal lending channels, on reasonable terms.
