Dear Fellow Residents:

I am pleased to provide the Annual Report of the Nassau County Clerk's Office for fiscal year 2012.

Created by the New York State Constitution, the Nassau County Clerk's Office acts as agent for the state and is part of the New York State Unified Court System serving as the Clerk of Supreme and County Courts. The office has unique duties dictated by legal statutes pertaining to processing and indexing all real property ownership records dating back to 1899, as well as filing and maintaining court records. Every record must be reviewed for statutory compliance and is required to be retained in perpetuity. In addition, the County Clerk is responsible for safeguarding vital historic records of the County including the storage and retrieval of records belonging to many county departments.

While one of the most public offices in Nassau County government, the matters handled by the Clerk's Office are of a personal nature to the hundreds of residents who utilize our services daily. My dedicated staff assists residents, legal professionals, other governmental agencies, court staff and the judiciary with numerous services including: court filings, name change orders, small claims assessment review petitions (SCAR), deeds, mortgages, mortgage satisfactions, real property maps, judgments and liens, business certificates, notary public requests, passports, and veteran's discharge filings. Accordingly, the County Clerk exercises a non-delegable fiduciary duty as collection agent for the funds generated by these services on behalf of other taxing jurisdictions, including New York State and the Unified Court System.

Over 550,000 transactions were filed equating to more than 2,100 transactions processed on the public's behalf each business day. 2012 also saw continued expansion of electronic filing interfaces, creating greater efficiencies and streamlined services.

The Clerk's Office provides real time recording of documents. In addition, an ongoing goal of the Clerk's Office is to preserve older records maintained on dated media by converting them to a singular electronic format. The ongoing objectives of the Clerk's Office include the implementation of new technology, responsive constituent services, operational efficiency, and personal privacy protection.

Through the assistance of numerous grants awarded to the Clerk's Office by the New York State Department of Education State Archives, improvements continue to be made throughout the office to better serve the public and accommodate the continually increasing volume of archived records.

During my tenure as County Clerk, I consistently perform my prescribed Constitutional, fiduciary and statutory obligations to the residents of Nassau County and New York State through the efficient allocation of the resources provided by the County. My office remains committed to providing the optimum level of service the residents of Nassau County deserve.

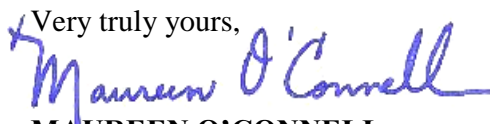

Very truly yours,

MAUREEN O'CONNELL
Nassau County Clerk
